Cat Training: Solving Common Litter Box Problems Kittens and small cats don't care about the size of the box, but if your cat is a big-boned feline, it will need a supersized toilet. Cats prefer litter boxes at least 1 1/2 times longer than their bodies.

How to Handle Three Common Kitten Behavior Problems When playing with their littermates, kittens learn how to hold back on the intensity of their biting and scratching, because when they get too rough, the other kitten either retaliates or quits playing. Kittens raised without littermates don't learn this, however, and are especially prone to overly aggressive play.
