Amazon.com: Nature and Young Children (9781138553347 ... Ruth Wilson works with the Children and Nature Network as curator of their Research Library. Her primary area of interest in her work as a consultant and writer for the past 25 years has been on connecting young children with nature. Young Children's Relationship with Nature: Its Importance ... We need to allow children to develop their biophilia, their love for the Earth, before we ask them to save it. Rather than books and lectures, nature itself is children's best teacher (Coffey 2001). Young children tend to develop emotional attachments to what is familiar and comfortable for them (Wilson 1996. Nature and Young Children: Encouraging Creative Play and ... Covering topics as diverse as gardening with young children, creating an accessible nature program for children with special needs and addressing cultural differences in connecting children with nature, this book reveals how important nature play can be in the development of young children.

The Nature of Children - ASCD Even children as young as 2 years old have (a) the cognitive capacity to interpret the physical and psychological states of others, (b) the emotional capacity to affectively experience the other's state, and (c) the behavioral repertoire that permits the possibility of trying to alleviate discomfort in others. Young Children and Nature | The Adventurous ChildThe ... Help children to become environmental stewards as adults by providing them with time to experience the outdoors and grow to love nature as young children. Thank you to Mary, Nancy, and guest participators for these great ideas for experiencing nature on the preschool playground. ERIC - Nature and Young Children: A Natural Connection ... Young Children, v50 n6 p4-11 Sep 1995 Discusses the value of nature education to early childhood education. The domains of adaptive, aesthetic, cognitive, communication, sensorimotor, and socioemotional development are discussed.

The Tree - Nature for very young children | Free Kids Books In The Tree, a children's nature storybook for very young children, we see the various parts of the tree and life cycle introduced in a repetitive manner with beautiful illustrations. Great nature book for very young children. Lots of repetition in the text makes it a nice book for early readers. Sample Text:. Nature Study with VERY Young Children Having a young toddler and providing an opportunity for nature study is pretty much the same anywhere. When children are very young, it is only natural that they want to explore in a way that is meaningful to them and sometimes that means putting things in their mouth. Our job as parents is to provide a safe environment for them to explore.
