What would modern Navies look like, if Battleships still ... As such, in this alternate reality, modern navies would look much like they did in the 1930's (i.e. battleships were the focus of navies), but completely devoid of whatever made battleships obsolete (i.e. carriers and submarines). Battleships would simply have gotten bigger, with even thicker armor and larger guns. Navies in Modern World History (review) - Project MUSE Navies in Modern World History (review) Christopher M.
